

Whereas:

- The state of natural disaster in the Republic of Albania, declared with Decision of Council of Ministers No. 243, dated 24.03.2020 "*On State of Natural Disaster Declaration*", will be lifted on 23 June 2020.

- The Preventive Measures Plans adopted by the Republic of Albania and other countries for the purpose of containing the COVID-19 spread have been significantly eased and the country is proceeding with the gradual reopening of the majority of land and air borders to other countries.

- It has been established that the current state favors and allows all interested subjects to prepare the required documentation and participate in the Competitive Procedure for the Selection of Participants in the Market Operator's Share Capital

As regards the above, in accordance with the Competitive Procedure for the Selection of Participants in the Market Operator's Share Capital Documents, Chapter II "*Instructions to Participants in the Competitive Procedure for the Selection of Participants in the Market Operator's Share Capital*", Section 5, paragraph "*Additional rights of the Commission*", subparagraph 5.11/ii; the **Special Commission** hereby notifies as follows:

1- The "Competitive Procedure Suspension" measure issued on 08.04.2020 is hereby repealed, and the **Competitive Procedure** for the Selection of Participants in the Market Operator's Share Capital will proceed, **pursuant to the Competitive Procedure Documents.**

2- As regards the bid submission deadline, the submission date will be changed to "**no later than 29/06/2020**", however the time will remain the same (for each category) as defined in the CPD.

3- As regards the bid opening deadline, the opening date will be changed to "**29/06/2020**", however the time will remain the same (for each category) as defined in the CPD.
