PARTNER INFORMATION

▪ **Description of the Legal Entity:**

- Higher Education ☐
- Research Institution ☐
- Public Administration ☐
- Industry / SME ☒
- NGO ☐
- Other: ☐

Please specify:

▪ **Description and expertise of the team:**

SmartAoS is a technology company specialized in the design, development and deployment of advanced digital solutions based on Artificial Intelligence, cloud computing, data analytics, automation and custom software engineering.

Our multidisciplinary team combines expertise in AI, software architecture, full-stack development, UX/UI design, cloud-native infrastructures, systems integration and business process digitalization. We support the complete technology lifecycle, from concept definition and prototyping to software development, deployment and long-term maintenance.

We have extensive experience delivering digital solutions for startups, SMEs, corporations, public organizations and non-profit entities across sectors such as healthcare, education, smart cities, tourism, finance and public services.
