PARTNER INFORMATION

▪ **Description of the Legal Entity:**

- Higher Education ☐
- Research Institution ☒
- Public Administration ☒
- Industry / SME ☒
- NGO ☐
- Other: ☐

Please specify: **SME / Tech Consulting & Research Company**

Omicatech Solutions SL is an innovative Spanish SME specializing in advanced technology consulting, digital transformation, and applied research. We bridge the gap between cutting-edge technology and public/private sectors, focusing on data-driven solutions, software integration, and technological research to support digital transition initiatives across Europe.

▪ **Description and expertise of the team:**

Our team consists of highly skilled researchers, software engineers, and project managers with extensive experience in data analytics, digital systems architecture, and technical consulting. We possess strong expertise in translating complex public administration and industrial needs into functional technological solutions, ensuring high standards of technical rigor and compliance.

▪ **Potential role in the project:**

- Technology provider ☒
- Data provider ☐
- Research ☐
- Training ☐
- Dissemination ☐
- Other: ☐

Please specify: Project Coordinator, Technical Task Leader, and Research Partner.

Expertise / competence needed in case of searching for Project Partners:

We are looking for complementary partners to build a competitive consortium, specifically:

- **Technology & Data Providers:** AI/ML solution providers, Cloud/Edge computing specialists, or Big Data infrastructure experts.
- **Pilot / End-Users:** Public Administrations, Municipalities, or Industry players interested in testing and validating the developed digital solutions.
- **Dissemination & Training Partners:** Organizations specializing in communication, stakeholder engagement, and specialized training/up-skilling.

Other areas of interest for collaboration: Cybersecurity, Cloud and Data Infrastructures, Artificial Intelligence applications for Public Sector / SMEs, and Interoperability of European Digital Services.

▪ **Already experience in EU funded projects as a:**

- Coordinator: ☐ YES ☒ NO
- Partner: ☐ YES ☒ NO

▪ **Project experience and track record:**

Although Omicotech is participating for the first time as a lead coordinator in an EU-funded proposal under DEP, our team brings a strong track record of success in national R&D projects, technological implementation for public entities, and private sector innovation contracts.
